

SCW16/Paper-00, Preliminary agenda

Participants from IMARPE (Peru) and IFOP (Chile) met online and prepared this preliminary draft schedule for acoustic survey evaluations during the benchmark workshop.

Participants in this drafting committee included Criscely Lujan, Daniel Ramos, Mariano Gutiérrez, Ignacio Payá, Victor Catasti, and José Zenteno

Preliminary Acoustic Session Agenda (day tbd)

- **Start time:** 09:00

Time	Topic	Presenter
09:00-09:25	Historical review of hydroacoustic survey programs in north-central Chile	V. Catasti (IFOP)
09:25-09:50	Spatio-temporal modeling of acoustic backscatter (Sa) from the north-central Chile survey using <i>sdmTMB</i>	I. Payá and V. Catasti (IFOP)
09:50-10:15	Preliminary results of the 2026 north-central Chile hydroacoustic survey	V. Catasti (IFOP)
10:15-10:30	Coffee break	

Time	Topic	Presenter
10:30-11:00	Examination and/or validation of jack mackerel echotraces	All participants

Time	Topic	Presenter
11:00-11:25	Opportunistic acoustic data collection using the south-central Chilean commercial fleet	N. Alegría (INPESCA, TBC)
11:25-11:50	Review of jack mackerel acoustic assessments conducted in Peru	Daniel Grados (IMARPE)
11:50-13:20	Lunch break (1 hour 30 minutes)	

Time	Topic	Presenter
13:20-13:45	Application of sonar systems in Peruvian anchoveta fisheries and potential applicability for jack mackerel in Peru and Chile	Mariano Gutiérrez (National University Federico Villarreal)
13:45-14:15	General discussion and technical recommendations	All participants
